# Advantages of being me

Things I'm good at, things I like about my appearance, my character, my life (write or draw)

Examples: I'm loyal, I am good with my hands, I like the colour of my eyes, I am a problem-solver, I can bake, I have a great family, I am a good driver, I have an amazing best friend, I am good at what I do etc.

Keep adding, you may not be able to do this in one go. If stuck, ask friends, family etc. to help you out – they can see what you can't!
